## Patient Assistance Contract

Dear Client/Patient:

Certain pharmaceutical companies offer patient assistance programs to patients without prescription insurance coverage and/or cannot afford their medications and qualify under specific guidelines. The **Rx for Oklahoma** staff is here to **assist** with all the paperwork involved in the attempt to get you the assistance needed. You may be required to complete an application and/or answer questions by either the company and/or our staff. While we do our best to locate assistance, we ask that you do your part in supplying the necessary documentation required to complete the applications in a prompt and efficient manner. We will try our best to secure free or discounted medications on your behalf; however, each pharmaceutical company has its own policy and financial guidelines that we must follow. Below are just a few of the items that we expect from you:

- **Provide proof of income for as long as you are requesting assistance.** This can be a copy of last year's tax return, a copy of your statement of benefit from Social Security, Letters on letterhead from your employer, or other documentation as the pharmaceutical company stipulates.
- **Notify the office when/if the telephone or address changes for you or your physician.**
- **If you are accepted** into an assistance program, your medications will ship either to your doctor's office, your pharmacy or your home and you may be required to sign for it. Medications usually ship in a 90-day supply or less. **If you are NOT accepted** into an assistance program, you will be notified. Most companies notify with a denial letter sent to both you and your physician.
- **Notify the office** when you are down to a 30-day supply of medication. This will ensure that you receive your refill in a timely manner, since it can take the pharmaceutical company as long as three to four weeks to issue a refill. If you do not notify our office within this time frame, you may run out of your medication.
- **Notify our office** if/ when your financial or insurance situation changes.
- **Notify our office** of any changes to your medications (no longer taking, dosing changes, etc.).
- **Notify our office** of any mailings you receive from the pharmaceutical companies. These notices are received by the patients or physicians only.
- **Name and point of contact of an individual** we can contact if you are unable to be reach.

\_\_\_\_\_  
Name Telephone number Relationship

Please keep in mind that we strive to do our very best with making sure your medications are received in a timely matter, but ultimately it is **your** responsibility as the *Patient/Client* to ensure that you receive your medications. We ask that you read this document carefully and sign it if you understand and agree to comply with these requirements. A copy of this signed contract will be provided to you. Please call our office if you have any questions.

Thank you for your understanding.
